Your Daily Program

DAYS 1 - 4: MARRAKECH

On arrival in Marrakech, your private driver will meet you and take you to your “riad” hotel to spend your first night. Our philosophy is to focus on distinctive places to stay that are defined by character and style, giving our guests a glimpse into the Moroccan way of life.

Medina discovery

Join your guide for your walking tour of the Medina and souks. Dive in head first and enjoy the intoxicating sights, sounds and smells of one of the most vibrant cities in the world. Learn the medina’s ancient history and take in its endless alleyways, artisan workshops and colourful souks.

Learn to cook traditional Moroccan cuisine

Spend your morning in the food souks buying Moroccan cuisine staples before heading to your cooking class with a local chef. Learn about the delicate balance of spices used and the secret behind the perfect tajine.

Continue your culinary experience and head to Jemaa el Fna, transformed in the evening into a giant open air restaurant complete with entertainment, you'll find snake charmers, story tellers, acrobats and dancers - a feast for the eyes, and stomach!

Soar high in a hot air balloon

On your final morning in Marrakech, rise with the pink morning sun as you soar high above the ground in your unique hot air balloon ride with views over the Haouz Plains and the High Atlas Mountains - there is nothing quite like it. Feet on the ground, indulge in a full Moroccan breakfast before returning to the city. Spend the rest of your day at your leisure either at the riad or wandering the streets of Marrakech.

DAYS 4 - 8: ATLAS MOUNTAIN TREKKING

Ride in style to the Atlas Mountains

Today you leave Marrakech on a unique journey. Hop on your vintage sidecar with a local driver/guide, and head towards the High Atlas Mountains, with a few detours en route - zip lining between mountain valleys, anyone?

Once at your final destination, simply relax and soak up the amazing views whilst sipping a cup of mint tea. Spend the following day discovering the valley of Imlil with your guide - acclimatize to the mountain air, discover the charming region and the mountain way of life with lunch in a local family house.

Hike valley to valley

Leave behind the tranquil village of Imlil and spend the next two days adventuring through passes, peaks and valleys, with cosy star-gazing evenings spent in mountain lodges. With your guide and mule, you will make your way on foot through spectacular views, lofty villages and juniper forests towards Ouirgane.

DAYS 8 - 9 AGAFAY DESERT

A night in a desert camp

Nearing the end of your adventure, today you will swap the dramatic mountain landscape for the sweeping views of the Agafay stone desert. You will spend the night in a unique luxury tented-camp. As the sun dips behind the stone dunes, work up an appetite as you set off on a camel ride, returning for a traditional dinner and a campfire under the dark starry night.

DAYS 9 - 10: MARRAKECH

The following day you will make your way back to Marrakech for your final night before your flight.

ACCOMMODATION

Our philosophy is to avoid large chain hotels and to focus on distinctive places to stay that are defined by character and style. We can propose a range of accommodation options to suit your budget and style. This could be a charming traditional riad (converted townhouse) in the old Medinas, a boutique hotel that combines traditional Moroccan style with contemporary design, or a luxury hotel that offers all the facilities and service you might expect from a five star property.
